

**REMARKS**

Applicants have amended the specification to eliminate the inconsistency pointed out in the Notice dated February 26, 2010 between the figure legend for Figures 8A and 8B and the figures themselves. Additionally, Applicants attach two replacement drawings, one for Figures 10A and 10B (formerly named Figure 10) and one for Figure 9 (formerly named Figure 9A). These figure numbers now correspond to the specification. Applicants believe that no new matter has been added.

**CONCLUSION**

For the reasons set forth above, Applicants respectfully submit that this case is in condition for immediate allowance. Early and favorable consideration leading to prompt issuance of this Application is earnestly solicited.

Applicants believe that this amendment does not require any fees. Please charge Deposit Account No. 14-0740 for any deficiencies.

Respectfully submitted,

NEW ENGLAND BIOLABS, INC.
